Branko Malešević

Први пут сам шаховску гарнитуру видео у школском дому. у Српској Црњи 1950 године, научио неке потезе, али не и правила игре. И на томе се стало више година.

Много касније, играјући са пријатељима, понављали смо исте потезе у бескрај, све очекујући да противник погреши. Често се играло док се флаша не испразни, или док не почнемо своје сопствене фигуре да "једемо". Тада смо знали да је време да престанемо.

И ко зна докле би то тако трајало, да мој вишегодишњи пријатељ, шаховски мајстор и олимпијац, Милан Вукадинов није упитао чиме намеравам да се бавим као хобијем, пошто сам отишао у пензију. Предложио ми је шах!

Једном приликом, Милан ми предложи мали тест, постави на табли неку позицију и рече:

Шта би овде одиграо као бели, а шта као црни на потезу?

Погледао сам таблу, позиција је била веома једноставна (из садашње перспективе), ипак сам повукао потез, прво као бели а затим као црни.

Рече ми Милан: Од тебе може бити добар шахиста!

И предложи да када играм било с ким, запишем потезе и донесем на анализу и добијем савете како да поправим своју игру.

Кажем ја: како да запишем, нисам познавао шаховску "азбуку", појма нисам имао шта значи: Vxc4 c6 ...

Дао ми је приручник ...

После шест - седам месеци играо сам први званични меч, по правилима FIDE, на међуградском сусрету Лондон – Виндзор, где сам на седмнаестој табли савладао противника друге категорије, и мојом победом омогућио да Виндзор по први пут тријумфују после 30 година.

После још неколико месеци, на првом званичном шаховском турниру у градићу Гатино (Gatineau, Quebec) 1995 године, освојио сам прво место у групи за стицање категорије и добио први рејтинг од 1749 на листи Канадске Шаховске Федерације.

Меч одлуке за прво место.

Рејтинг од 1938 на дописном првенству “Golden Knights” 1995, био је крајњи домет у мојој шаховској каријери, ако се тако може рећи.

Године 1998 основано је Српско Шаховско Удружење, чему сам посветио више времена и пажње, тако да је играње на турнирима постало споредна ствар.

Не жалим због тога, јер сам кроз бављење овим послом сусрео велики број добрих људи, упознао многе познате шахисте и са многима постао пријатељ.

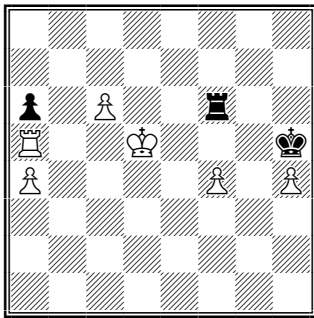

Циљ ове књиге је да послужи као успомена на дане сусрета са пријатељима који деле заједничку љубав према шаховској игри.

Deciding game for the tournament winner!

Troy Vail,
Technical Director,
Chess Federation of Canada,
E1-2212 Gladwin Crescent,
OTTAWA K1B 5N1

Dear Troy:

Thank-you for the copy of the results of the recent RA Spring Open, which I received yesterday. Along with this copy I received a letter to 'Eastern Ont. Chess Ass.' which, among other things, offered commendation for the fact that the 'Tournament has no errors'. This good news is dampened somewhat by the fact that Paul Maisonneuve appears both as player #19 in the U2050 Section and player #1 in the U1650 Section.

Player #19 in the U2050 Section was, I believe, Branko Malesevich (9079), who, coincidentally, had asked me for a copy of the results. Fortified by the reassurance that there are no errors, I will not offer any apologies for the submitted crosstable results which incorrectly showed Mr. Malesevich's number as 7237, although the name was correct. Needless to say, it would be helpful if you could rectify this.

Yours truly,

Doug Burgess

Hi, Branko

Sorry for not replying sooner. I have been very busy, with sorting out stuff all Wednesday evening boxing up the chess sets at the Ciociaro on Thursday, and today was the high-school Chess Challenge.

Tomorrow is the playoffs. On Sunday I do absolutely NOTHING. Monday, I go back to work again!!

Yes, I did get the photo's. Thank you so much. You have a real talent for portrait photography. You catch the kids when they are unaware, and some of them look so angelic. Let me know how much I owe you for film, etc.

You should consider photography in a professional way. The pics of the kids are so composed, in both senses of the word, and yet they were taken in a crowded room. Have you considered shooting a wedding?

Once again, thank you, and I'll mention your name whenever I use the photo's.

John

Active tournament report, December 4th 2004

We had only 10 players for the afternoon tournament. **Bowen Jiang** tied for first place with **Branko Malesevich** with 2½ out of 3.

Next tournament is January 8th, at the **Flying Monkey**, a coffee shop downtown.
